

Hi,  
Please keep the no call list inforce. Since, this list has been  
inforce, we now have quality family time at night and NO  
interruptions from telemarketers. We can eat our dinner in  
piece. By keeping this list inforce, it has improved our time  
together as a family. We were always getting interrupted. Please  
keep this list!!!

Sincerely,  
Mark & Karen Uhrman
